## Sybly to increase Capacity to 20000 Spindles

Sybly a 100% polyester yarn manufacturer currently at 10000 spindles is set to increase its capacity by getting yarn from running Mill(s) on job work basis.

Sybly is in talks with 3 manufacturers based in Punjab, Haryana & Uttar Pradesh to manufacture 100% Polyester Yarn using recycled fiber exclusively for Sybly.

Consequent upon materializing talks with concerned parties Sybly would be able to increase capacity and reach a consolidate position to 20000 spindles soon.

Further, as stated in the previous report dated 12/07/2016 SYBLY is now on the path of fulfilling its aim of selling Recycled yarn.

**Thanking you,**

**Yours faithfully,**
